Thanks for catching this, Lora. I actually realized the mistake after I sent the e-mail. I corrected the mistake when Kelley asked me to prepare separate memos for HW33a and HW33b; you should have the revisions somewhere in your in-box. Thanks again for picking this up.

hey Dawn

you are AMAZING!!!

this is goofy but I noticed on your memo for HW33, HW 33a, and HW 33b that the subject line refers to HW28a

not sure maybe you replaced this one later anyway with individual ones?
